Presents its

Thursday, May 23, 2019

Little Theatre, 7:00 PM

Susan McCormick, Rita Gigliotti,
SLHS Choral Directors

Julie Longmire, Accompanist
Kimberly Retzer, SLHS Principal

Thank you for
a wonderful year!

Audio & Video Recording

The concert will be both professionally audio & video recorded so NO electronic devices should be used to during the concert.

The Fairfax County Public Schools Music Program of Studies requires the performance of literature that is both sacred and secular. Balance of music selected and performed from among historical and contemporary composers, genres and periods are achieved through the course of a year's instruction and not within any individual concert.

Concert Etiquette

One of our goals is to educate our community on proper concert etiquette.

Here are a few tips to help:

- * Audience members should be seated and quiet when the performance is in progress. If you are videotaping a portion of the performance, please do so from the rear of the auditorium.
- * If it is necessary to arrive late or leave before the concert is over, please do so between musical selections.
- * Clapping is the appropriate way to show appreciation for the performance. Whistling, yelling or screaming is not appropriate at any time before, during or after a concert.
- * Parents should keep small children seated with them and not allow them to move around during the concert. If very young children become restless and disrupt others' abilities to listen, please take them away from the performance area until they are quiet.
- * It is customary to welcome the director with applause.
- * Listeners and performers are distracted by extra sounds and movements from the audience.
- * Please, no flash photography.
- * Hats or caps should be removed during a concert.
- * No food or beverages are allowed in the theater.
- * Some musical works have extended endings, several parts or multiple movements. The audience is expected to applaud only after all movements have been performed. The conductor's hands will drop at the conclusion.
- * Cellular phones and pagers interrupt a performance. Please be sure they are turned off.

South Lakes Choral Program

Throughout their four years in the South Lakes High School Choral Program, students learn vocal technique, music literacy, and develop an appreciation and in depth understanding of various musical genres including Classical, Jazz, Pop, Opera, Broadway, and World. They participate in adjudications and performances at venues throughout the United States and beyond. Students develop proper auditioning skills and participate in District, Regional, State, and National level choirs. They take part in making professional recordings and workshop with renowned professional musicians in the classroom. Students learn to arrange music, student direct performances and become independent musicians. Participation in community outreach performances and programs and the Tri-M music honor society enable students to enhance leadership skills, earn service hours, and share their passion for music with the greater community.

The South Lakes Choral Department is honored to be the recipient of the 2011 American Association for People with Disabilities (AAPD) Inclusion & Diversity in the Arts Award. AAPD is the largest non-profit cross disability organization in the United States. The award was presented at the 2011 AAPD Gala in front of an audience of over 900 Congressmen, Ambassadors, and Advocates from around the country who provide support and leadership for people with disabilities. Members of the South Lakes Choral Department performed for this audience which included Secretary of Education, Arne Duncan, and Lauren Potter who plays 'Becky' on the hit FOX TV show GLEE.

The South Lakes Choral Department consistently earns Superior ratings at adjudication festivals and due to combined efforts of the South Lakes High School Chorus, Band and Orchestra the Music Department continues to be awarded a Blue Ribbon by the Virginia Music Educators Association.

The South Lakes Choral Department continues to provide students with exciting enrichment opportunities. Our Advanced Choirs proudly performed in Carnegie Hall in New York, NY on March 17, 2019, at the invitation from the Choirs for America. Some of our students, and many other area high school students, participated in the Youth Harmony Festival, organized by the Alexandria Harmonizers, in April, learning to sing and perform in four-part a cappella harmony. The day concluded with a show featuring Hot Pursuit, Signature, The Quintones, Alexandria Harmonizers, and all the participating students.
