Concert Etiquette

One of our goals is to educate our community on proper concert etiquette.

Here are a few tips to help:

- * Audience members should be seated and quiet when the performance is in progress. If you are videotaping a portion of the performance, please do so from the rear of the auditorium.
- * If it is necessary to arrive late or leave before the concert is over, please do so between musical selections.
- * Clapping is the appropriate way to show appreciation for the performance. Whistling, yelling or screaming is not appropriate at any time before, during or after a concert.
- * Parents should keep small children seated with them and not allow them to move around during the concert. If very young children become restless and disrupt others' abilities to listen, please take them away from the performance area until they are quiet.
- * It is customary to welcome the director with applause.
- * Listeners and performers are distracted by extra sounds and movements from the audience.
- * Please, no flash photography.
- * Hats or caps should be removed during a concert.
- * No food or beverages are allowed in the theater.
- * Some musical works have extended endings, several parts or multiple movements. The audience is expected to applaud only after all movements have been performed. The conductor's hands will drop at the conclusion.
- * Cellular phones and pagers interrupt a performance. Please be sure they are turned off.

Audio & Video Recording

The concert will be both professionally audio & video recorded so NO electronic devices should be used to during the concert.

Performance Archives: <https://southlakeschorus.org/performances/>

The Fairfax County Public Schools Music Program of Studies requires the performance of literature that is both sacred and secular. Balance of music selected and performed from among historical and contemporary composers, genres and periods are achieved through the course of a year's instruction and not within any individual concert.

South Lakes Choral Program

Throughout their four years in the South Lakes High School Choral Program, students learn vocal technique, music literacy, and develop an appreciation and in depth understanding of various musical genres including Classical, Jazz, Pop, Opera, Broadway, and World. They participate in adjudications and performances at venues throughout the United States and beyond. Students develop proper auditioning skills and participate in District, Regional, State, and National level choirs. They take part in making professional recordings and workshop with renowned professional musicians in the classroom. Students learn to arrange music, student direct performances and become independent musicians. Participation in community outreach performances and programs and the Tri-M music honor society enable students to enhance leadership skills, earn service hours, and share their passion for music with the greater community.

The South Lakes Choral Department is honored to be the recipient of the 2011 American Association for People with Disabilities (AAPD) Inclusion & Diversity in the Arts Award. AAPD is the largest non-profit cross disability organization in the United States. The award was presented at the 2011 AAPD Gala in front of an audience of over 900 Congressmen, Ambassadors, and Advocates from around the country who provide support and leadership for people with disabilities. Members of the South Lakes Choral Department performed for this audience which included Secretary of Education, Arne Duncan, and Lauren Potter who plays 'Becky' on the hit FOX TV show GLEE.

The South Lakes Choral Department consistently earns Superior ratings at adjudication festivals and due to combined efforts of the South Lakes High School Chorus, Band and Orchestra the Music Department continues to be awarded a Blue Ribbon by the Virginia Music Educators Association.

Our advanced choirs had accepted an invitation by Choirs of America and performed in Carnegie Hall in NY, NY in March 2019.

Congratulations to:

The South Lakes Choral Department on their recent performances at Walt Disney World on December 5, 2019. In the Spring, students who performed for Carnegie Hall in NY, NY spent additional time preparing an audition video to be considered to perform at Walt Disney World. In June we were accepted to perform a show set of our own at Disney Springs and then to perform alongside the Walt Disney World professional cast, professional orchestra and Neil Patrick Harris (narrator) for Epcot's Candlelight Processional. We were honored to be selected to perform a total of 3 shows and 'earn our ears' at Walt Disney World.

We would like to thank all who made this opportunity possible including our SLHS administration, SLHS choral students, SLHS alumni 2019, SLHS parent chaperones, SLHS Parents for Choral Arts and the Scheler Family for their incredibly generous donation toward scholarship for our choral students.

**BROADWAY
NIGHT 2020**

SONGS OF DISNEY

Friday, Jan 31 at 7 pm
&
Saturday, Feb 1 at 2 pm and 7 pm

South Lakes High School Chorus and Parents for the Choral Arts (PCA) are excited to announce the 2019-20 edition of Broadway Night. This year's theme will feature songs from some of our favorite Disney movies and musicals.

Broadway Night is a musical theatre intensive designed to give our chorus and performing arts students an opportunity to perform in a Broadway themed musical revue. The experience includes working with professional choreographers, directors, production and musicians.

For 2020 we are excited to welcome performers from our South Lakes HS pyramid schools.

About Parents for Choral Arts (PCA)

Parents for Choral Arts (PCA) is a non-profit booster organization supporting the South Lakes High School Choral Department. PCA is committed to serving the SLHS Choral Arts Program.

PCA Membership is open to parents or legal guardians of students enrolled in chorus. If you do not have a student enrolled in chorus, please check out our **Friends and Family Membership**.

| Membership Category | Eligibility |
|----------------------------------------|--------------------------------------------------------|
| PCA Membership | Parents/legal guardians of students enrolled in chorus |
| Friends & Family Membership | People who do not have a student enrolled in chorus |

PCA offers a level of membership for everyone. Your membership (one per household) entitles you to attend and vote at our monthly booster meetings. In addition, each household will be recognized by name in all choral concert programs. Those who contribute at higher levels receive additional privileges. We hope you will join us!

| Membership Level | | Benefits |
|------------------|-------|-------------------------------------------------------|
| Bronze | \$30 | PCA Membership + Name in all programs |
| Silver | \$50 | Bronze level + SLHS Chorus Car Magnet |
| Gold | \$100 | Silver level + (2) Reserved premier seats at concerts |
| Platinum | \$150 | Silver level + (3) Reserved premier seats at concerts |
| Director | \$250 | Silver level + (4) Reserved premier seats at concerts |

PCA is a 501 (c) 3 non-profit organization, and your donation is tax deductible. Tax ID is 26-3487105. PCA welcomes corporate sponsors, and is eligible for corporate matching programs.

Membership/Fundraising Mission

The PCA raises funds beyond class and other fees, to cover expenses that allow the program to truly be a top-notch program of excellence and development for our singers. This includes professional recording and sound technicians, piano tuning, music professionals, administrative support, music, equipment and more.

For more details on the three programs that will help raise the **\$24,000** needed for the budget this year, please review each link below:

- a) PCA Membership Goal = \$8,000 - <https://southlakeschorus.org/joinpca>
- b) Friends & Family Fundraising Goal = \$6,000 - <https://southlakeschorus.org/friends>
- c) Corporate Sponsorships Goal = \$10,000 - <https://southlakeschorus.org/parents-for-choral-arts/sponsors/become-a-sponsor/>

Overall we have raised a total of \$12,760 plus in-kind donations!

We are just over halfway there!

**We need everyone's help to get us further along
by the end of the year!**

Update on PCA Membership:

Thank you to the **62** parents and guardians who have joined the PCA raising **\$7,970** so far this year! While we only need **1** more member at the \$30 level to reach our fundraising goal, we are over **\$8,000** behind our overall fundraising goal. So we hope many more parents or guardians out of 156 Chorus students will join PCA. Becoming an active PCA member is a great way to model for your singers about giving back, regardless of the amount one contributes. Here is a link to the online application form: <https://southlakeschorus/joinpca>

Update on Friends & Family:

We have just kicked off this campaign! This year we have a new membership level: Family Circle at \$75, and supporters at \$75 or higher will receive a video link of our singers. So far, **11** new Friends & Family members helped us raise **\$910** this year. Here is a link you can send to people you know who might be interested in becoming Friends & Family members: <https://southlakeschorus.org/friends>

Update on Corporate Sponsorships:

As you can see in the program we have some wonderful corporate sponsors! So far across Chorus support and Broadway Night, we have raised \$3,850 plus a significant amount of in-kind donations from restaurants and other organizations likely valued over \$3,500! Feel free to check out the link with more information and share it with other business owners:

<https://southlakeschorus.org/parents-for-choral-arts/sponsors/become-a-sponsor/>

Urgent Need for Parent Volunteers:

Membership Chair: Are you willing to lead our Membership/Fundraising efforts this year and beyond? If that's you, please email **Juliana Carter** at jcarter@southlakeschorus.org.
