100% CONFIDENT

100% Memorized both your vocal

*Advanced preparation* will serve you

*Procrastination* will *not* serve you.

# Remember

Your audition is the best presentation of your skills. This will help us choose something for you to grow into and highlight you for the show.

Please take it seriously.

You will be cast into 1 song + finale

\*exception: guys *may* be in a max of 2 songs + finale

# What we are looking for...

Intention in your choices

Attire, character, expression in the  
vocal line, energy

Precision, accuracy, evidence of  
preparation

# Ready to Record

1. Choose a well-lit space that is quiet and without distraction.
2. Use your laptop or a phone to record with.
  - a. We want to see a head to toe view of you for DANCE so a phone may be easiest to record with, in portrait mode
3. Perform Music first, dance second.
4. Slate your name, grade, what song you are singing and experience you have in vocal, acting, dance.
5. Make sure we can hear the backing tracks on the audition recording.
