What is Broadway Night?

It's a musical theatre intensive where students have the opportunity to develop their skills in voice, acting, dance, and work with a variety of professional artists in the performing arts.

What is Broadway Night?

- This year, we will have a virtual show.
- Students will be a part of 1 elementary school number + 1 full cast number
- Students will meet weekly, through Google Meet, with teachers & be provided learning videos to practice as well.
- Rehearsal will be *after* school.

What is Broadway Night?

- This year's show dates will be February 26 & 27.
- We will be finished recording for the show by mid-January so that we have enough time to produce the numbers.
- Students will be taught how to record from their homes. All they need is a school laptop, iPad, or a phone and earphones of some type.

What is Broadway Night?

We will be working with a local TV Production company who will professionally stream our show!

There will be opportunities for students to be featured in small vocal or solo roles within their assigned numbers.

What is Broadway Night?

Here's an idea of the cool things we can do with this year's show! This features students in MS & HS from across FCPS. Our Director, Mrs. Gigliotti was the Music Director and the Assistant Director for this number!

What is Broadway Night?

We welcome back our longtime Broadway Night accompanist this year, Jeremy Ragdale! He was away for a short time winning the X FACTOR! Check out his audition! He is doing all of the music backing tracks for this year's show!
