

South Lakes High School Chorus Finance Information and Policies- 2018-2019

FCPS will not charge students a fee for any mandatory aspect of the **South Lakes High School Choral Department** except for course material fees which are permitted by Virginia Department of Education (VDOE) regulations. Schools cannot require a student to pay fees for course materials in excess of the amount approved by the School Board in Notice 5922, Revenue, Tuition, and Fees – Student Fees.

The following is a description of **South Lakes High School Choral Department** course material fees and FCPS-sponsored optional activity fees for participation in the music program for the upcoming season.

Fee Structure – Required Fees, Optional Fees

- **Required course material fees:** Course material fees cover consumable materials associated with a course and are a required element of that course.
- **FCPS-sponsored optional activity fees** are charged in connection with a particular activity and cover some or all of the actual costs of that activity. Participation in the particular activity is optional but if a student decides to participate in the activity, payment of the activity fee is required. Any fees collected that exceed actual cost of materials or activities must be refunded to the parent.
